4 DIFFERENT PUNCHES

Different punch surfaces become a highlighter for your
ambience, bringing magnificent charm to it.

PLATINO
COLLECTION

EPIC PUNCH BEAUTY

IMPRONTA PUNCH

It has intricate patterns and subtle variations in its vertical linear textured punch. The grooves create a gentle interplay of light and shadow, adding depth and dimension.

MERONA PUNCH

It offers a modern and sophisticated aesthetic inspired by natural stone. Its design mimics a series of horizontal grooves arranged in a staggered pattern, creating a visually interesting and dynamic surface.

TRULY TEXTURE DELIGHT

ARCOS PUNCH

Its appearance is reminiscent of smooth, flowing marble with subtle linear striations. These lines, reminiscent of the graceful arches that inspire the name, create a sense of depth and movement across the tile's surface.

STARK PUNCH

Its texture exudes a raw, industrial aesthetic that is both bold and minimalist. Its surface is characterized by a rough, uneven texture with a pronounced grain pattern.
