TINY TILES BRICKS

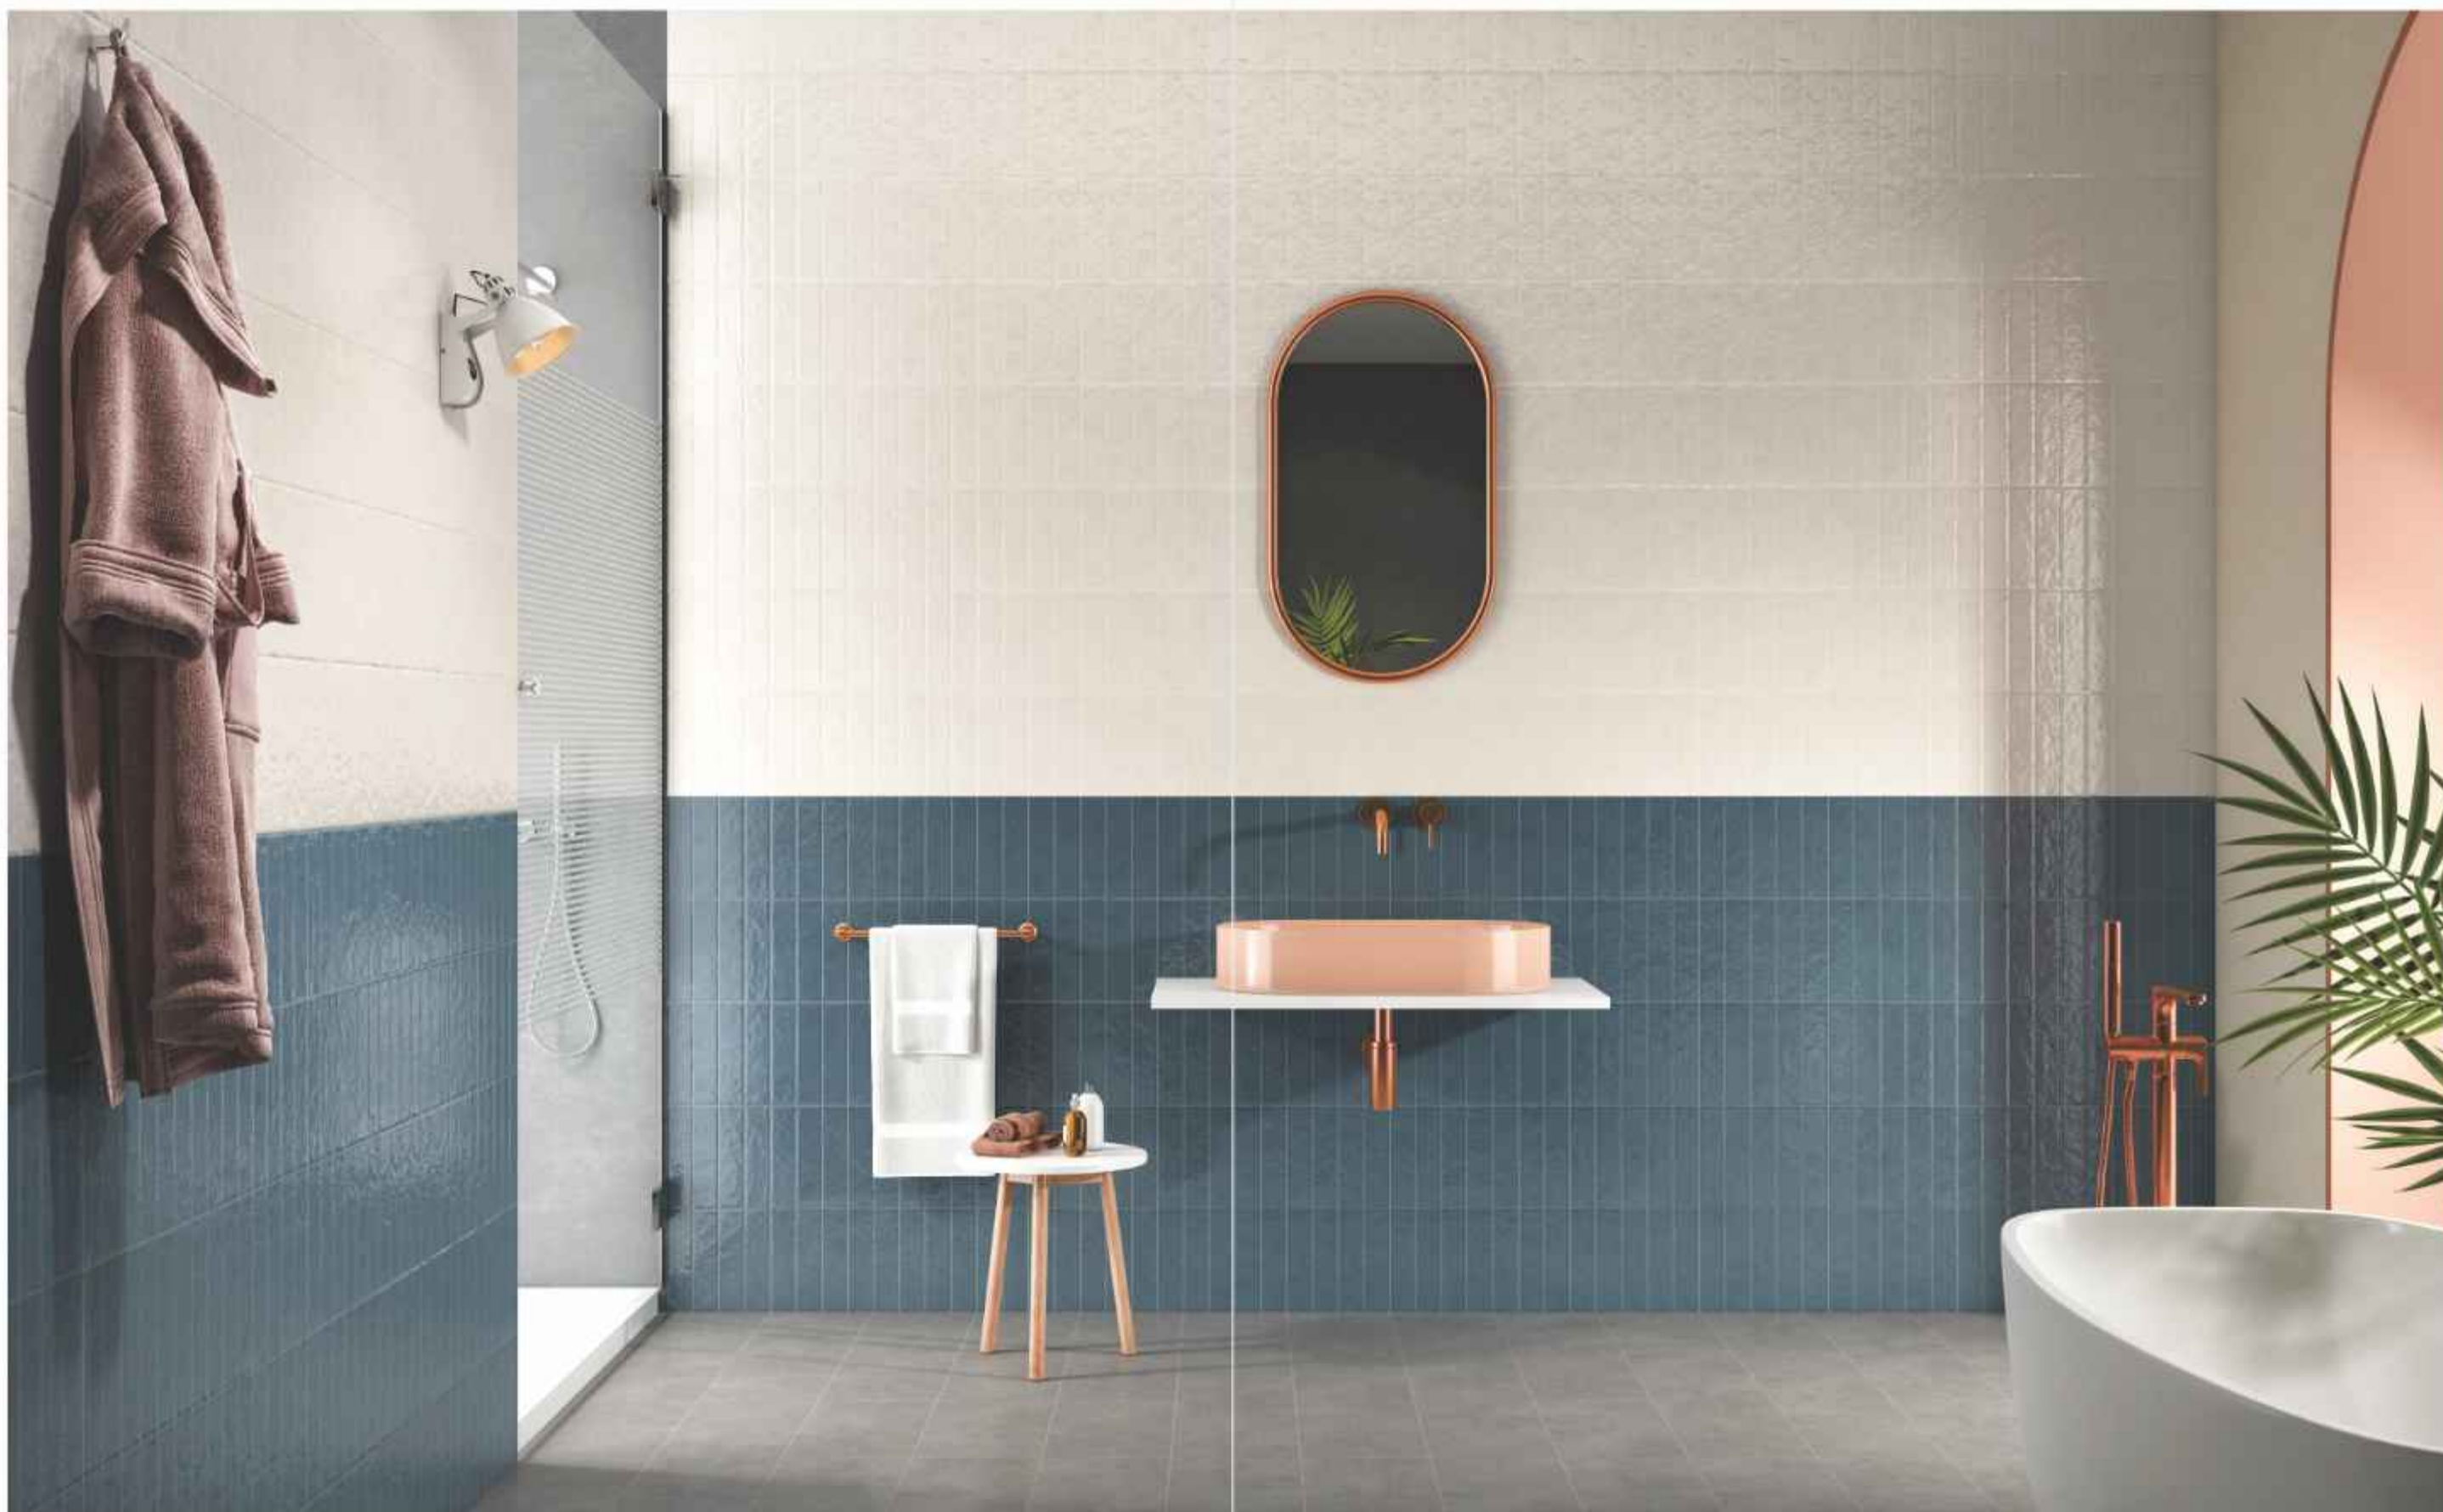

Bringing back the a-la-mode brick wall decor with the modern and rustic twist of playful colors with the Tiny Tiles Bricks Collection of Simpolo.

The collection revives the time-tested style of brick style decor with the contemporary elegance of vivid colors and tones which effortlessly spruce up your interior style game. The brick tiles offer an elemental, peculiar, and distinctive aura to your space through small details.

A modern living room interior. A light blue sofa with several cushions (two light blue, one white, and one patterned) is positioned against a textured, warm-toned wall. To the left of the sofa is a tall, black floor lamp with a large, dark, adjustable shade. In front of the sofa is a round, light-colored wooden coffee table holding a small vase of flowers and some fruit. The floor is a light, neutral color.

The collection takes its inspiration from the classic style of brick tile decor to incorporate accent details in your homes and spaces. The tiles and their colors derive their inspiration from earthy and vivid tones, which bring back the rustic elegance of the old times paired with hints of modern details. The collection celebrates various architectural styles through its colors and the dimension that allows a variety of application and decor possibilities for your spaces to reflect upon history and time-honored styles while incorporating modern details at the same time.

"Please note that there may be variations in the colours due to the random design concept, which is part of the unique beauty of this concept. We advise you to view the actual tiles before making a final decision on colours. It is important to keep a gap of 2 mm between tiles during installation."

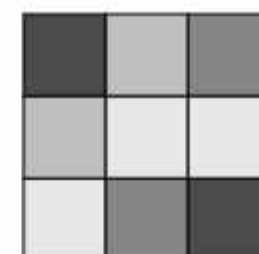

As a precautionary measure, we recommend conducting a dry mock installation of the tiles to ensure seamless final installation.

Keep in mind that size and shade variations are inherent properties of all vitrified tiles and should not be considered as a manufacturing defect.

Claims made post-installation will not be addressed.

Contents of this catalogue is indicative and not exhaustive with regard to graphics, decors and colours shown. The product sizes indicated are nominal and the colours may vary due to the nature of the Vitrification process. These features are subject to change at any time without notice and are not legally binding.

"We are honoured to be a part of your home and are committed to providing you with a lifetime of joy and happiness."
