PRODUCTS INTRODUCTION

PRODUCTS INTRODUCTION

THE NEW AGE CREATION WHERE NATURE MEETS INNOVATION

The fascinating convergence of nature and innovation led to an inspiring breakthrough – **SHAPE TECH** that replicates nature's efficiency & resilience.

Introducing you to trailblazing innovation in ceramics, breaking boundaries in design aesthetics & style. The Shape Tech surface by Sunhearrt is crafted using the most advanced technology – 4D Tech in the tile industry. These surfaces are inspired by nature & its elements, and the relief textures imprinted on the tile's surface let you harmonize with the natural world.

The breakthrough collection ensures greater precision, versatility and efficiency. With a diverse gallery of surface designs, it seamlessly intertwines inspiration with innovation, inviting endless possibilities for creative expression and functional adaptation.

FUSION OF RELIEF AND GRAPHICS

SHAPE TECH

Surface innovation by Sunhearrr.

Intrinsic

The textures, sinuosity, and veining found in nature all follow capricious rules, and it is this random nature that makes them so very lovely. Nothing is ever identical and this singularity is the secret to nature's beauty.

Sunhearrr's passion for detail has led it to develop technology able to reproduce nature in its maximum of expressions, captured down to the tiniest of details.

Digital technology is used to create textures that coincide perfectly with the printed pattern, leading to some of the most natural-looking designs ever to be seen on ceramic tiles.

Accurate

Our printing inks reach each and every part of the printed texture. The tiles are printed with absolute precision, carefully marrying the design with the corresponding texture to unparalleled technical effect.

Tactile

There are no optical illusions. Everything is real. What you see and what you touch are one and the same thing. The printed veins coincide perfectly with the texture. Everything you have always longed for in ceramic tiles has now been achieved by Sunhearrr.

VIVID PUNCHES OFFER PALETTE OF POSSIBILITIES

Unfold a diverse palette of earthy hues, taking cues from nature and matching every decor style and vision.

UNFOLD ARTISTRY IN EVERY SHADE

The tactile elegance of thickness

Give the extra edgy and resilient character to areas with tiles with a 9mm thickness. Further, the 60x120cm format is ideal for defining versatile settings, both indoors & outdoors.

LAYERS OF SHAPE TECH

The surface innovation from Sunhearrrt – the Shape Tech features layers crafted to the tiniest details. This modern ceramic marvel incorporates a tech layer above the tile base and an englobe layer integrating tactile patterns and further enhancement of the same with multiple glaze layers and a digital print layer of design topped with the polished layer, thus creating finish excellence.
